Sir,

## Sub.: Data of Farmers/Traders

We provide Agriculture Commodity related information to Farmers as well as Traders in Karnataka and neighboring states which will be beneficial to them to know the market trend of deferent agricultural produces and also their availability in various markets.

We are in this field for the past 40 years and have vast number of customers seeking market information. You are welcome to download our website “ [www.quickmarketreports.com](http://www.quickmarketreports.com)” and give your details under the option “**contact us**”.

We have to collect daily local market buying/selling rates from Traders, Companies and Brokers of your area and share the information with Farmers through our Communication systems, i.e **QMR apps and SMS service. We also bring out special issue on market news.** This will benefit the Farmers to deal directly with the Traders and improve their business. We shall cover Egg, Broiler, Chicks etc. in our QMR Apps - Nominal charges of Rs. 985 per year will be charged for the above service.

We are getting market rates from APMCs, NECC, leading Companies, Brokers and Traders. We require contact details of Farmers, Traders who are members of your Association. Kindly send the details to our email id: [quickmarketreports@gmail.com](mailto:quickmarketreports@gmail.com) or [mangaloremarketreports@gmail.com](mailto:mangaloremarketreports@gmail.com) by doing so you will be helping them to improve their business.

As a complementary offer, we will publish news items of meeting/events happening in your Association in our media as and when you provide us. We hope that your will consider our request favorably.

Yours sincerely,

**Editor**
