**Futures Price Trend**

**Market Analysis**

ICE Arabica coffee futures turned higher on Monday, after an unexpected moderate frost hit parts of Brazil's main coffee region, but gains were limited as traders waited to learn the extent of the damage. ICE September arabica coffee futures settled up 1.9 cent, or 1.3 percent, at \$1.4945 per lb. Robusta coffee futures turned lower after finding early support from a poor harvest in Brazil, a late start to harvesting in Indonesia, and concerns over the impact of adverse weather on output in top grower Vietnam. September robusta coffee futures settled down \$5, or 0.3 percent, at \$1,814 per tonne, having touched a 16-month high of \$1,866 on Friday, supported by tight global supplies.
