## PALM OIL ROSE PRODUCTION ISSUES BY RAIN

Malaysian palm oil rose on production concerns in Malaysia and Indonesia due to heavy rains and higher demand from China. Malaysian palm oil futures as on 24/1/2024 early trade rose by RM 19 or 0.48% to RM 3967 (\$ 838.16) per ton. Stronger rival edible oils supported prices. Rain forecasts in Malaysia and Indonesia raised concerns about production. Prices recorded 2 months high.

## GLOBAL PULSES CONFERENCE 2024 ON FEBRUARY 14-17, 2024

Global pulses conference will be held from February 14th to 17th (4 days) 2024 in Delhi, Jointly organised by National Agricultural Co-Operative Marketing Federation of India Limited and The Global Pulse Confederation (NAFED and GPC). About 800 representatives of Governments, commercial and non-profit organisations involved in the production and processing of pulses will attend the conference according to the news sources. India hosting pulses conference after 18 years. Various aspects of pulses such as trade and sales, about the pulses markets, opportunity, production etc., will be discussed and experts in the field are expected to share their views and experiences with various stockholders and policymakers.
