RAW CASHEW NUT DELAY IN IMPORTS QUANTITY LOWER

Raw cashew suppliers from South Africa are defaulting contracts due to significant price fluctuations of Raw cashew nuts in global level according to the news sources. Prices have been increased nearly \$ 500 per ton over last one month. Ivory coast's temporary halt of exports has caused delays in shipment. According to the news sources currently many shipments of raw cashew nuts are arriving delayed and lower quantities than contracted by which processors of Vietnam facing shortage of RCN for processing. According to INC (International Nut and Dried Fruit Council) global Raw cashew nut production is estimated to be lower by 7% due to adverse climate affect.

ONION PRICES ROSE ON DROP IN ARRIVALS

On an average Onion prices increased by 25% in Nashik due to drop in arrivals. Arrivals to all APMC, in Nashik district have been reduced from around 1 lakh quintal to 75000 quintals during last few days and prices have been increased from Rs.17 to 22 per Kg, according to the news sources. Around 1500 containers of Onion have been exported from Nashik district during last 15 days according to the news sources. Demand has increased during few days.

JEERA(CUMIN) PRICES DOWN ON THE NEWS OF INCREASED GLOBAL PRODUCTION

Jeera(cumin) prices moved down on the news of increased global production. Production in China have been nearly doubled from previous year and production increased in other growing countries such as Syria, Turkey and Afghanistan. News of significant increase in global production put downward pressure to Jeera prices.
