PALM OIL DROP 2 WEEKS LOW ON WEAK RIVAL OILS

Malaysian palm oil for February delivery lost RM 26 or 0.67% to RM 3864(\$ 825.99) per ton on weak rival vegetable oils in Dalian Market. Future are at 2 weeks low but improving exports limited the drop. Malaysian palm oil export between 1-15 November rose by 13.6% to 1.26 million tons according to cargo surveyor Intertek testing services. According to Amspec Agro Malaysia exports rose 7.2% to 1.15 million tons.

CHICKEN PRICES DROPPING ON LOWER DEMAND

Chicken, meat, fish prices dropping significantly due to lower demand. Usually chicken, meat prices falling in Karthika massam as many are not consuming non-veg during this time. Shabarimala yathra devotees and their family also not consuming non-vegetarian food upto completion of their yathra. Demand likely to be lower during this period.
