## MAIZE PRICES STEADY, WHEAT PRICES STEADY

Maize prices remained unchanged in domestic market, Wheat prices were also steady in main domestic markets. Wheat prices likely to increase as wheat stocks would come down, due to lower crop according to the traders. Maize prices remained unchanged in the markets of Bihar and Karnataka.

## GOVERNMENT ORDERS FOR E-AUCTION OF ONIONS

Government orders for e-auction of Onions to the NAFED from its buffer stocks and not to conduct physical auction like traders. E-NAM auction will eliminate human interference biased decisions and help the Govt to achieve better price realisation according to the news sources. NCCF already conducting E-Nam auctions of onions. But NAFED is first being onions from buffer to APMC and e-conducting physical auctions. There which is against the practice. Now Govt order for e-nam auctions.

## CORIANDER PRICES WEAK

Coriander futures slid 2% from the earlier close, which was hit over 3 week high of Rs.7250. Due to increased arrivals in the domestic market, because of higher production pushed down prices. Improved export inquiries have been supported prices. Due to lower prices sowing area under new crop would come down as farmers likely to shift to other crops.
