Futures Price Trend

Market Analysis

Downward pressure for Arabica came from the unchanged good outlook for the coming crop in Brazil. ICE March Arabica coffee futures settled down 0.45 cents at 121.40 cents/lb. Robusta prices rise on demand-side boost. Market sources said the weak results from the prior session attracted roaster buying, but selling interest was low at this price level. March robusta coffee futures settled up \$7 at \$1,769 a tonne.
