MALAYSIAN PALM OIL ROSE FOR THE 2nd SESSION

Palm oil futures rose for the 2nd consecutive session in Malaysia on 26/10 due to stronger rival edible oil prices and weaker currency. Futures rose by RM 45 or 1.2% to RM 3724 (January delivery) (\$ 778.27) per ton at the mid-day break. Soy oil up by 1.3% in Dalian and palm oil up by 1.6% and Soy oil up by 0.8% in Chicago. Ringgit weaker by 0.25% against Dollar.

MAIZE PRICES ROSE ON FESTIVAL DEMAND

Maize prices rose by Rs.25 to 50 per quintal in Patna Bihar. Higher festival demand and lower arrivals supported price. Wheat prices up by Rs.50 per quintal in Rajasthan. Prices likely to remain higher on increased demand for upcoming Deepavali festival.

SUGAR PRICES INCREASING ON FESTIVAL DEMAND

Sugar prices increased in Uttarpradesh by Rs.30 to 40 per quintal on higher demand and lower availability of good quality sugar. Prices increased by Rs.15 to 20 per quintal in Maharastra as demand picking up for festival consumption. Government had announced 1.5 million tons of sales quota as sugar for 1st tranche of November sales. Sugar prices likely to remain higher due to higher festival demand, delay in new crushing season to begin and on the fear of quota released may not be enough to meet the demand.

ONION PRICES SIGNIFICANTLY ROSE ON DELAY IN NEW CROP ARRIVALS

Onion prices rose significantly increased in the largest onion market Lasalgaon, due to delay in new crop arrivals and lower sowing area in Maharastra during Kharif crop. Sowing area of Kharif crop in Karnataka also said to be significantly lower and new crop started to arriving markets. Prices of new crop also remained higher prices are in between Rs.50 to 60 per Kg for new crop and Rs.55 to 60 for old crop. Prices likely to remain higher till the arrival of new crop in full swing, which may be delayed by 2 months according to the news sources.
