Futures Price Trend

Market Analysis

ICE December arabica coffee futures settled up 0.7 cents at \$1.245 per lb. An upbeat outlook for Brazil's 2018/19 harvest may limit the extent of any price rebound, but on the other hand there is uncertainty over the damage done to that crop after unusually dry weather conditions earlier this year. January robusta coffee futures settled down \$44 at \$1,757 per tonne.
