Futures Price Trend

Market Analysis

ICE Arabica coffee futures rose the highest in more than 1-1/2 years, on the coattails of the robusta market, which has been buoyed by crop weather concerns in top growers Vietnam and Brazil. ICE December arabica coffee futures settled up 0.7 cent, or 0.4 percent, at \$1.655 per lb, after tapping \$1.669, the highest since February 2015. Robusta coffee inched up to a two-year high, on track to finish October up more than 9 percent, as concerns lingered about top grower Vietnam's crop despite forecasts for much-needed rain. January robusta coffee futures settled up \$12, or 0.6 percent, at \$2,187 per tonne, after tapping \$2,191, the highest since October 2014.
