**Futures Price Trend**

**Market Analysis**

ICE December arabica coffee settled down 1.15 cents, or 0.9 percent, at \$1.232 per lb. Focus remained on Brazil, where crop-friendly rains have arrived, although price weakness was limited as traders waited to see if they will be enough to relieve dryness and ensure flower pollination in the key coffee areas. January robusta settled down \$23, or 1.2 percent, at \$1,945 per tonne, as concerns about delayed shipments from top grower Vietnam eased on improving weather.
