PALM OIL WEAK ON WEAKER RIVAL OIL

Malaysian palm oil futures weak as of early trade due to weaker edible rival oil futures. Futures weaker more than 1%. Prices have been rose on Friday.

CONTAMINATION AFFECT PRICES OF COMMODITIES SUCH AS PEPPER

Pepper prices have been remained weak in some global markets. There is also mews such as contamination found in black pepper with dry berries and papaya seeds. Purchases should take care during the time of purchases, otherwise they are liable to bear losses. Purchases should stop purchasing such sellers. Prices likely to remain higher as supply is lower than demand, due to lower global production.

FARMERS ARE GETTING ONLY 1/3 OF THE MARKET PRICE OF THE COMMODITES

According to the some studies farmers and growers are getting 1/3 of the period of commodites which are sold in markets to final consumers. Growers and farmers are not getting benefit of price like, Intermediaries, brokers, middlemen and sellers getting the remaining part of the actual sales price. Actually this could discharge growers and farmers. Sales system may change according to the needs in future to get better price to farmers and growers.
