## PALM OIL EDGED UP ON INDONESIA'S EXPORT DUTY HIKE

Malaysian palm oil futures for February delivery edged up by RM 18 or 0.46% to RM 3890 (\$ 836.38) per ton at mid-day trade (30/11/2023). Prices increased with support of Indonesia's export duty hike but lower imports has not allowed further hike.

## EXPORT DEMAND PICKING UP FOR COFFEE SEEDS

Export demand picking up for coffee seeds from India as importers from key global markets such as Europe, West Asia are began to place orders. Prices are lower than some month ago and attractive for buyers now. The new crop Arabica coffee started arriving to the markets and many exporters are taking smaller quantity export orders but not getting larger quantity as people are having contradictory reports on the upcoming crop size according Ramesh Raja, President, Coffee exporters Association. Exports likely to increase from next month and prices also remain firm. Coffee exports from India between the period of April 1st to Nov 28, 2023 were at 2.44 lakh tons lower by 6.5% from 2.61 lakh tons in the corresponding period of last year. Value have been increased by 6% at \$ 775 million from \$ 733 million during the same period of last year due to higher prices.
