Futures Price Trend

Market Analysis

Arabica coffee futures in New York fell to their lowest in nearly five years amid ongoing weakness of Brazil's real currency against the US dollar and a lack of buying interest in the physical market. ICE September arabica coffee futures settled down 0.50 cents at \$1.012 per lb. Robusta coffee futures in London also ended in the red with the most-active November contract falling by USD 36 to settle at USD 1,560 a tonne.
