## RCN AND CASHEW KERNELS PRICES INCREASES ON SHORTAGE OF RCN

Production of raw cashew nuts dropped significantly across major growing countries. Raw cashew nuts prices have been increased due to fall in global production. Cashew kernels prices are also increasing due to higher prices of RCN as well as growing domestic and global demand. Domestic consumption of cashew kernels in India is growing at the rate of 7% companding annually according to CAGR. According industry sources Indian Cashew market will reach \$ 2.40 billion in 2024. Prices likely to remain higher until next season.

## URAD PRICES EASING IN WHOLESALE MARKETS

Urad prices started softening in wholesale markets of Delhi and Indore due to efforts to boost supply and reports of higher sowing in ongoing Kharif season according to the news sources. Good rainfall across major growing states such as Madhyapradesh, Andrapradesh, Uttarapradesh, Rajasthan, Tamilnadu and Maharastra will lead to higher sowing area and production could be higher in the ongoing Kharif season. Sowing area under Urad have been increased to 5.37 lakh hectares till July 5, 2024 as compared to 3.67 lakh hectares during the corresponding period of the last year.
