Market Analysis

ICE September arabica coffee futures settled up 2.3 cent, or 1.8 percent, at \$1.30 per lb, after rising to \$1.312, the highest for the second position since June 12. Dealers pegged gains on short-covering by speculators, who were inspired by a steady rise above last month's 16-month low. The September contract, however, was seen facing technical resistance at the 50-day moving average of \$1.314. September robusta coffee futures settled up \$8, or 0.4 percent, at \$2,157 per tonne.
