Futures Price Trend

Market Analysis

ICE arabica coffee prices ended higher on Friday, as the currency of Brazil, the world's largest growing region, rose against the dollar for the first time in six sessions. ICE Arabica coffee for September delivery rose 1.6% to close at \$1.441 a pound. Robusta coffee prices also rose, with traders noting a slow flow of exports from Indonesia after the El Nino weather pattern eroded production there. A very poor robusta harvest in Brazil underpinned a 2 percent gain for September robusta coffee, which closed up \$35 at \$1,797 per tonne.
