Futures Price Trend

Market Analysis

Profit-taking pressured on ICE arabica coffee futures on Friday, taking prices below the prior session's six-week high, but the market still saw its biggest weekly rally since October as eyed dry weather in top grower Brazil and strong charts. ICE March arabica coffee futures settled down 0.3 cent, or 0.2 percent, at \$1.493 per lb. March robusta coffee futures, which have been supported by worries over weaker global production, settled up \$4, or 0.2 percent, at \$2,202 per tonne.
