## JULY 1-25 MALAYSIAN PALM OIL EXPORTS ROSE BY 31%

Malaysian palm oil products exports for 1-25 July 2024, rose 31% year on year according to the data of Cargo Surveyor Intertec testing services and Amspec Agri Cargo Surveyor society Generale de Surveillance (SGS) estimates exports for July 1-25 is at 1,193,049 tons as against 908,511 tons in the same period of June. Palm futures as of 26/7/2024 closing rose by 0.59% as RM 23 to RM 3941 (\$ 846.62) per ton. But moved to weekly loss of 0.5%.

## MAIZE PRICES HIGHER ON GOOD DEMAND

Maize prices are higher due to good demand from poultry feed and ethanol makers. Lowest price in Karnataka is at Rs.2000 per quintal and highest price is at around Rs.3000 per quintal and average price is at nearly Rs.2500 per quintal. Prices likely to remain higher.

## AUGUST 2024 SUGAR SALES QUOTA AT 22 LTS, EXTENSION OF JULY SALES QUOTA

August 2024, Sugar sales quota is at 22 lakh tons according to the news sources. Quota is lower than 3.5 lakh tons from the year ago period and 2 lakh tons from July quota. Validity of Sugar sales quota of July extended to 15th August 2024. Sugar prices in the leading domestic markets are stable and demand is weak. Demand likely to increase in next week.
