Futures Price Trend

Market Analysis

ICE arabica coffee futures for March was down 0.5%, to close at \$1.621 a pound. The reduction came as a weak Brazilian real drove investor liquidation and prices extended a decline from a near two-year high. Robusta coffee futures were lower as favorable weather boosted harvest progress in top producer Vietnam. January robusta settled down \$11, or 0.5 percent, at \$2,152 per tonne.
