## EDIBLE OIL PRICES INCREASED SIGNIFICANTLY

Edible oil prices increased significantly in domestic markets of India. Palm oil prices have been increased more than Rs.50 per ltr x 10 pouch box within a fortnight. Prices of sunflower oil and vanaspathi also have been increased significantly. Palm oil imports during the month of August to India have been reduced significantly. Possibility of increase import tax on edible oil also supporting to increase price.

## MOONG DAL, URID DAL, TUR DAL PRICES EASED

Prices of Moong, Moongdal, Urid, Urid dal, Tur and Turdal have been come down in domestic markets. Due to increase in Kharif sowing area supply could be increase after harvests. Supply from previous stocks also put pressure on prices. Prices likely to come down further. Supply also increasing from imports.

## CASHEW KERNELS DEMAND LIKELY TO INCREASE

From this month demand for cashew kernels in domestic markets. Navarathri and Deepavali festival ahead and cashew demand for this festivals could increase. Onam festival is beginning and sales could increase. Prices likely to increase on increasing demand and tight supply due to lower production.
